

Privacy Policy

To better protect your privacy we provide this privacy policy notice explaining the way your personal information is collected and used.

Data Collection

Application allows to securely store personal data as part of the KeePass (KDBX) databases. It does not transmit any personal data outside of the application.

Links to third party websites

Application may include links to other websites. We are not responsible for the privacy policies on these websites. You should be aware that the privacy policies of these websites may differ from our own.

Data security

We take data security seriously and take all steps reasonably necessary to secure your data. However, in case of a compromised device or while using root privileges we cannot guarantee the security of data provided in the application.

Changes To This Privacy Policy

This Privacy Policy is effective as of April 2022 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically.

Contact Information

For any questions or concerns regarding the privacy policy, please send us an email to support@keemobile.app.
